Mike Stone - RFK Jr. Would Ban Big Pharma Commercials

March 26, 2025

"Banning drug ads from television would be good in two ways. First, ad revenue from pharmaceutical companies helps keep Fake News networks in business.

The loss of that revenue would be a huge blow to their operations.

Second, banning drug ads on television would reduce the number of people who foolishly take pharmaceutical drugs."

**by Mike Stone
(henrymakow.com)**

Here's some Trump administration news that even the most diehard, black-pilled doomer can get behind: Health Secretary Robert F. Kennedy, Jr. wants to ban pharmaceutical ads on television. (They did it with cigarettes, why not with drugs that are a thousand times worse and more harmful?)

Ads for the STUPID-19 fake vaccine are still being aired on television. It's the gift that keeps on killing. Mia Love, the first black Republican woman elected to Congress died of brain cancer last week at the young age of 49. She was fully vaccinated.

Jessica Aber, a nice-looking, 43-year-old prosecutor, was just found dead. After days of deliberating, police now say she died suddenly of natural causes. Sure. 43-year-olds die suddenly of natural causes all the time.

Of course, Aber might have been murdered. She was involved with prosecuting pedophiles, including James Gordon Meek, the ABC reporter who claimed without evidence to have "debunked" Pizzagate. <https://www.thegatewaypundit.com/2025/03/biden-appointed-us-attorney-found-dead-her-virginia/>

Meeks was caught making plans to rape young children when he was arrested. <https://thepeoplesvoice.tv/abc-news-reporter-who-debunked-pizzagate-pleads-guilty-to-child-rape/>

Former U.S. Attorney for the Eastern District of Virginia Jessica Aber, who resigned on January 20th, has been found dead in her bed this morning.

She spent years investigating and extraditing a defendant from Israel. He pleaded guilty to recruiting and facilitating the illegal entry of Israeli citizens into the United States with fraudulent visas.

Aber also prosecuted an unnamed criminal who pled guilty to helping Israeli citizens enter the United States illegally with fraudulent visas. Now she's dead . . . of natural causes . . . at the age of 43.

Hit 'Em Where it Hurts - in the Wallet

Banning drug ads from television would be good in two ways. First, ad revenue from pharmaceutical companies helps keep Fake News networks in business. The loss of that revenue would be a huge blow to their operations.

Second, banning drug ads on television would reduce the number of people who foolishly

take pharmaceutical

drugs. However, those numbers might not be as high as we'd like, because the same braindead Americans who watch television are the ones who continue to visit doctors and hospitals and keep them in business. They won't see ads on television, but if their idiot doctor tells them to take a drug, they'll take it without question.

While we're on the subject of drugs, did you know that the Bible teaches that all drugs are sorcery and witchcraft, and that those who dispense them are witches and poisoners? It's true, and you can prove it to yourself quite easily. Here's how I explained it in my Teen Boys Success Book:

"There's a book called Strong's Concordance, which contains the Hebrew and Greek translations for every word in both the Old and New Testament in the Bible. If you take that book, and put it next to your King James Bible, and then turn to Revelations 18:23 and look at the last sentence, it reads, 'For thy merchants were the great men of the earth, for by thy sorceries were all nations deceived.'

"Then open your Strong's Concordance to the Main Concordance and find the word 'sorceries.' Scroll down the list under that word to Revelations 18:23 or Re 18:23. Next to that it will say, 'by thy s were all nations deceived,' followed by the number 5331. Turn to the back of the book where the Greek translations are, locate that same number, and you'll see that it says, 'pharmakeia from 5332; medication ('pharmacy'), i.e. magic, sorcery, witchcraft.'

"If you scroll down a couple of lines, you'll see that it also says, 'Pharmakon; a druggist or poisoner, i.e. a magician, sorcerer.' The Bible has always taught that drugs are sorcery and that those who dispense them are sorcerers, witches and poisoners. Weak-willed women and feminized men don't want to admit that because they're cowards and prefer to hide from the truth, but there it is. Now you know the truth."

So if drugs are sorcery and witchcraft, what does that tell you about the companies that run ads for drugs on television? What does it tell you about the people in television who take those ads? And, most

importantly, what does it tell you about the millions of mush-brained morons who willingly inject themselves and their children with drugs?

Mike Stone is the author of the new book ***REAL or FAKE: The Donald Trump Assassination Attempt*** and ***Teen Boy's Success Book: the Ultimate Self-Help Book for Boys; Everything You Need to Know to Become a Man***

Robert Sepehr -- How Judaism Became a Satanic Cult

Communism (which is Satanism) originated in the Sabbatean-Frankist movement.

It is dedicated to robbing and exterminating non-Satanists. The Democratic Party is Communist. It conquers by subversion. The GOP pretend to take an opposing fascist position.

They subvert by being conquered in war, e.g. Hitler.

"Adam Weishaupt was the son of a Jewish Kabbalist Rabbi in Bavaria, but educated by the Jesuits who

converted him to Catholicism after his father died when he was five. He eventually became a priest, but defected and formed an alliance with Lord Meyer Rothschild who financed the Illuminati agenda."

By Robert Sepehr
(Excerpts by henrymakow.om)

Most people have heard of Jesus Christ, considered by Christian followers to be the Messiah who lived over 2000 years ago. But very few people have ever heard of Sabbatai Zevi, who declared himself to be the Messiah in 1666. He amassed a following of over one million believers, half the world's Jewish population during the 17th century, by proclaiming that redemption was available through acts of sin.

Considered a heretic by many of his contemporary Rabbis, nonetheless, his fame extended far and wide. Sabbatai's adherents planned to abolish many of the ritualistic observances, because, according to the Talmud, in the Messianic time there would no longer be holy obligations.

Fasting days became days of feasting and rejoicing. Sexual promiscuity, adultery, incest and religious orgies were encouraged and practiced by Sabbateans.

After Sabbati Zevi's death in 1676, his philosophy would be continued, and expanded on, by his Kabbalist successor Jacob Frank.

Frankism, a religious movement of the 18th and 19th centuries, centered on the leadership of the Messiah claimant Jacob Frank. He, like Zevi, would perform strange acts that violated traditional religious taboos, such as eating fats that were forbidden by Jewish dietary laws, ritual sacrifice, promoting orgies and sexual immorality.

Jacob Frank would eventually enter into an alliance formed by Adam Weishaupt and Meyer Amshel Rothschild called the Order of the Illuminati. The objectives of this organization was to undermine the world's religions and power structures, in an effort to usher in a utopian era of global communism covertly ruled by their hidden hand: the New World Order. Using secret societies, such as the Freemasons, their agenda has played itself out over the centuries, staying true to the script. Opposition is handled by a near total control of the world's media, academic opinion leaders, politicians and finance. While still considered a conspiracy theory to many, more people are waking up each day to the reality that this is not just a theory, but a true conspiracy.

Sabbateanism is the matrix of every significant movement to have emerged in the eighteenth and nineteenth century, from Hasidism, to Reform Judaism, to the earliest Masonic circles and revolutionary idealism. The Sabbatean believers felt that they were champions of a new world which was to be established by overthrowing the values of all positive religions. (1)

-

Although Jacob Frank was born fifty years after the death Sabbatai Zevi, he deserves to be regarded as Sabbatai's true successor. He extended the paradoxical teachings of Zevi that the coming of the messianic age had transformed sexual prohibitions of the bible into permissions and even obligations. According to Frank, engaging in sexual orgies became the means to purify the soul from its sins.

Debauchery became therapy. Frank convinced his followers that the only way for their special form of Judaism to survive was for them to outwardly become Christians, just as the Donmeh had descended into the world of Islam.(10)

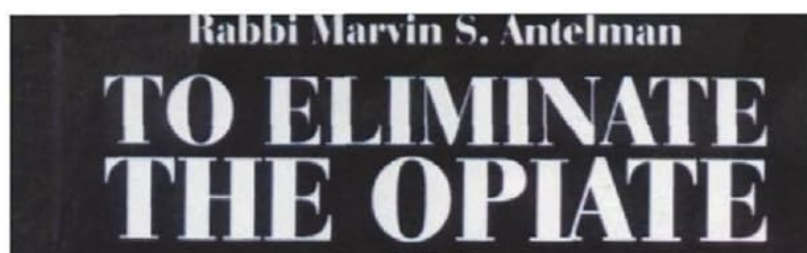

-

Gershom Scholem famously said that people will always remember Jacob Frank as one of the most frightening phenomena in the whole of Jewish history, and was: "a religious leader who, whether for purely self-interested motives or otherwise, was in all his actions a truly corrupt and degenerate individual."(1)

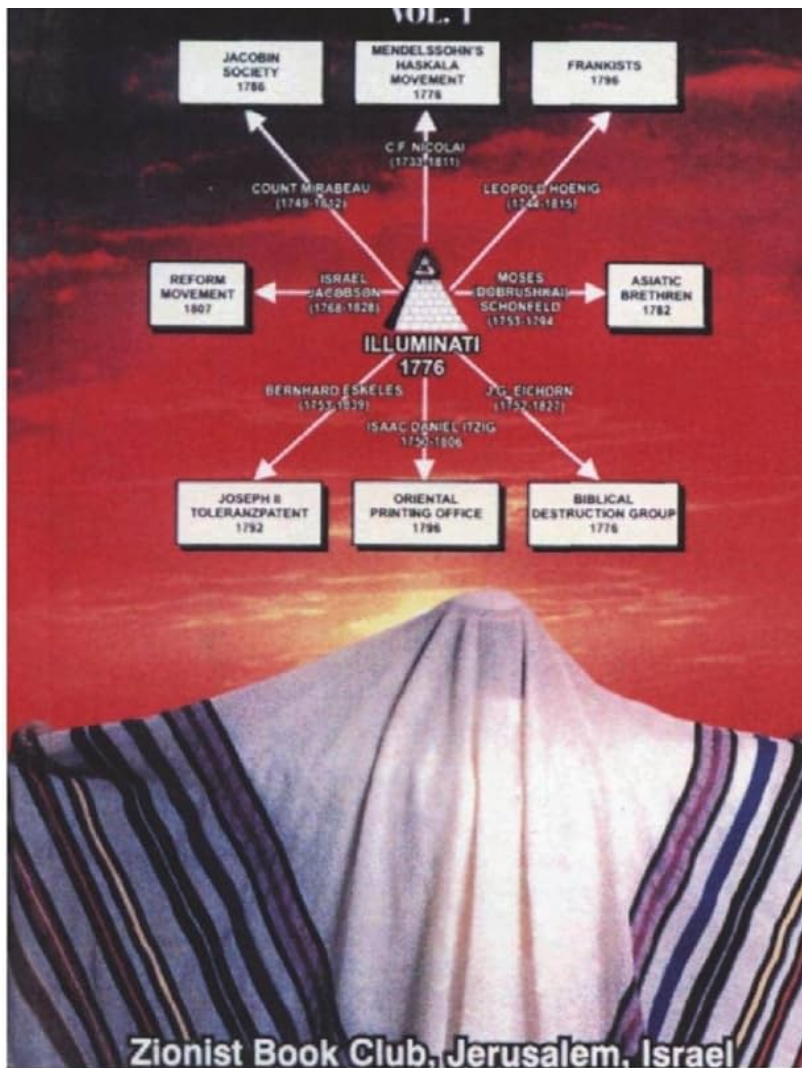

Jacob Frank himself candidly summed up his own philosophy in a single remark: "It is one thing to worship God and quite another to follow the path that I have taken."(1)

According to Frank, one had to free oneself of all laws, conventions, and religions, to adopt every conceivable attitude and to reject it, and to follow one's leader step by step into the abyss. The annihilation of every religion and positive system of beliefs was the true way he expected his believers to follow. Jacob Frank taught that in order to ascend one must first descend. In Frank's own words: "No man can climb a mountain until he has first descended to its foot. Therefore we must descend and be cast down to the bottom rung, for only then can we climb to the infinite. This is the mystic principle of Jacob's Ladder, which I have seen and which is shaped like a V... Again, I did not come into this world to lift you up but rather to cast you down to the bottom of the abyss. Further than this it is impossible to descend, nor can one ascend again by virtue of one's own strength, for only the Lord can raise one up from the depths by the power of His hand."

-

In his classic book, *To Eliminate the Opiate* (Vol. 2), Rabbi Marvin S. Antelman explains where Jacob Frank's got his

financing:

Frankfurt at the time was the headquarters of the Jesuit, Adam Weishaupt, founder of the Illuminati, as well as Rothschild Brothers' financial empire. This is worth repeating: Frankfurt was the birthplace of both the Illuminati and the Rothschild Empire. When Jacob Frank entered the city, the alliance between the two had already begun. Weishaupt provided the conspiratorial resources of the Jesuit Order, while the Rothschilds contributed the money.

What was missing was a means to spread the agenda of the Illuminati and that the Frankists added with their network of agents throughout the Christian and Islamic worlds. Jacob Frank became instantly wealthy because he was given a nice handout by Mayer Amshel Rothschild of Frankfurt. (11)

--

May 1, 1776 was the formal date that Adam Weishaupt officially founded the Orden der Perfektibilisten (The Order of Perfectibilists), also known as the Illuminati of Bavaria. **Weishaupt was the son of a Jewish Kabbalist Rabbi in Bavaria, but educated by the Jesuits who converted him to Catholicism after his father died when he was five. He eventually became a priest, but defected and formed an alliance with Lord Meyer Rothschild who financed the Illuminati agenda.(29)**

When Adam Weishaupt formed the Order of the Illuminati, he arranged

the timing of key events by Kabbalistically arranging numbers in a manner which would add to numbers of greatest occult significance. For example, he chose May 1, because May, the fifth month added to the first day, equals six. Weishaupt chose 1776, because the four numbers of this year add up to 21 ($1+7+7+6 = 21$). Further, the sacred number $6 + 21 = 27$ was another number with occult Kabbalistic "power", because it is formed by multiplying 3×9 . Weishaupt carefully chose this date because he believed that even the greatest plan would be doomed to failure if it was not carried out at the most numerically advantageous time.

The long term political goals of their occult secret society called for the execution of the following plan: (These are the goals of the Communist Manifesto)

Abolition of all monarchies and all ordered governments

Abolition of private property and inheritances

Abolition of patriotism and nationalism.

Abolition of family life and the institution of marriage

The establishment of communal education for children

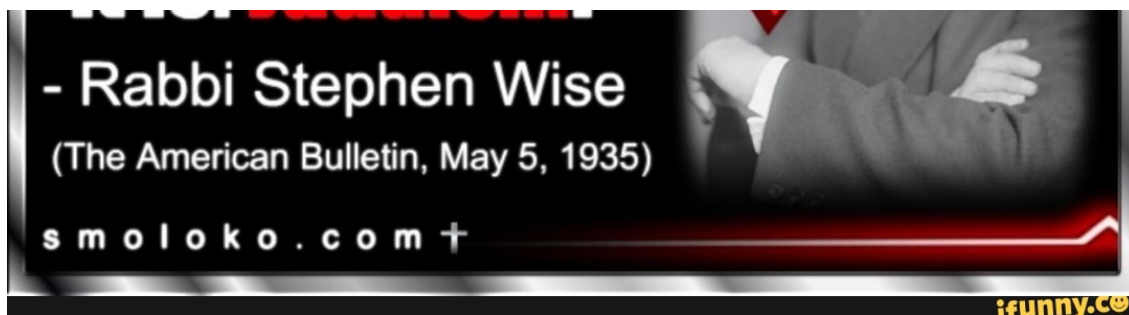

Abolition of all religion (30)

In his book, *Shabatai Tzvi: Labor Zionism and the Holocaust*, Jewish author Barry Chamish says that:

The Rothschilds goal was to control the wealth of the planet. And the Frankist vision was the destruction of Jewish ethics to be replaced by a religion based on the exact opposite of God's intentions. When these factions blended, a bloody war against humanity, with the Jews on the front lines, erupted and it is reaching its very pinnacle at this moment. (8)

In 1777,
the

Illuminati began to co-operate with all the Masonic lodges (especially the Grand Orient) with the purpose of infiltrating them. Even the Duke of Brunswick, Grand Master of Germany, said in 1794 that the Illuminati controlled the Masonic lodges. In time, the Illuminati won control of every Masonic order in the world. When Weishaupt became a member of the Grand Orient, Mayer Amschel Rothschild (1743-1812), the founder of the Rothschild dynasty, provided the financial backing for the lodge, according to the British historian Nesta Webster. (27) According to Rabbi Marvin Antelman, Rothschild convinced Weishaupt to accept the Frankist doctrine, and afterward financed the Illuminati. He aimed to fulfill the Frankist plot of subverting the world's religions, and the Zionist objective of instituting a global government which would be ruled by a King from Jerusalem. (11)

In Latin, Lucifer literally means 'Light-bearer'. As its name implied, members of the Illuminati possessed the 'Light of Lucifer'. They believed that people who possessed it were truly enlightened and capable of governing. Their avowed purpose and goal was the establishment of a "Novus Ordo Seclorum" - a New World Order, or One World Government, ruled by it's capital in Jerusalem.

--

Mayer Rothschild summoned 12 affluent men to Frankfort, and asked them to pool their financial resources. He then presented the 25-point plan that would enable them to gain control of the wealth, natural resources and manpower of the entire world. This plan included instructions on how to preach "Liberalism" to usurp political power, initiate class warfare, dismantle and reconstruct all existing institutions, and remain invisible until the very moment when the Illuminati had gained such strength that no cunning or force can undermine it. (9,13,29) Other highlights of their plan included the use of mob psychology to control the masses.

They would systematically advocate and use alcoholic liquors, drugs, moral corruption and all forms of vice to corrupt the youth. (30) In addition, they planned to use the press for propaganda to control all outlets of public information, while remaining in the shadows, clear of blame. The plan called for the masses to be made to believe that they had been the prey of criminals, and then they would restore order and to appear as the saviors. (29,30)

He supports strong climate action, referring to climate change as an "emergency."

EU RU Frau von der Leyen presents the 'Readiness Plan' for the rearmament of the EU by 2030, with the aim of preparing against the alleged aggressor: Russia.

But here is the fundamental question: if Russia really intended to attack the European Union, why would it wait until 2030? 🙄

The answer is simple: it's just theater. A script already written, a well-orchestrated scenario to justify yet another arms race, to drain public resources and to keep the masses in constant fear.

Von der Leyen and Putin are not real enemies, they are actors in the same play. She, a freemason at the service of the global elite, and he, another puppet of the system, play opposite roles to fuel a narrative of conflict and division.

conflict and division.

This charade serves only one purpose: to maintain control. With the threat of an "external enemy," citizens are more likely to accept restrictions, senseless military spending, and authoritarian policies. It's always the same strategy: create a problem, stoke panic, and then offer a "solution" that only benefits the elite.

The EU is not preparing to defend itself. It is preparing for the next phase of global control. And as always, the enemy they show you is just an illusion."

"If this is what "Jewish history" has become, then let the record show: the true Hebrews were buried in Gaza. And what rose in their place is an empire of lies. But every empire falls.

A Manufactured People--Western journalists, drunk on Zionist mythology, cannot say what they know: the majority of those who now drop bombs on children in Rafah are not the genetic or spiritual descendants of the Hebrews. As shown in your own files -- "Fabricated Histories," "Greatness and Controversy" (TID REAL HISTORY) -- the Ashkenazi elite are the descendants of converted Khazar aristocracy, an empire of mercantile warriors whose adoption of Judaism was never religious but geopolitical. They are Germanic-Turkic in blood, not Semitic. Their homeland was never Judea. It was the Volga steppe.

Zionism was never about return. It was about conquest, dressed in scripture. And now, with Gaza in ruins and Lebanon next on the altar, the mask is off."

The Department of Health and Human Services (HHS) has slashed

over \$350 million of spending earmarked for woke projects, including Diversity, Equity, and Inclusion (DEI) policies. Overall, around 500 research grants are affected, which range from studying "gender-affirming hormone therapy in mice" to "microaggressions." HHS spokesman Andrew Nixon commented on the cuts, saying, "The terminated research grants are simply wasteful in studying things that do not pertain to Americans' health to any significant degree, including DEI and gender ideology. As we begin to Make America Healthy Again, it's important to prioritize research that directly affects the health of Americans."

Romantic Love is a Satanic Hoax

We get most of our information about life from Hollywood. Most of it is bogus.

Imagine if all those sappy love songs were hymns celebrating God? What a different world this would be. Guess who controls the music industry.

Romantic love is a *fake religion* promoted by Satanists

to substitute love for a

flawed and ultimately dull human being

for love of the God (Perfection, Bliss) within our own soul.

All love is really love of God. (We are in love with love. God is Love.)

All true religion is love (worship, obedience) of God.

Everything else is a satanist deceit

Van Morrison proves that great music can be written about love of God.

When will I learn to live in God?
Whenever God Shines His Light

Update from May 8, 2022

by Henry Makow Ph.D

I am 75 and have been married 24 years. Like most of you, I was inducted into a cult-ure that substitutes romantic love and sex for religion. Sex is mostly a physical and psychological function. Romance is usually a delusion based on lust. **The Bible was right! Women and sex can be traps for men!**

God is the principle of our moral development. If you don't believe in God, you don't believe in yourSelf.

We live in a society that is besotted with beautiful women and sex. This fetish substitutes for religion. Sex and romance are sold as a way of achieving unity with God. The orgasm is the Holy Sacrament. This is Satanism.

The mystification of sex and women (sex Goddess programming) makes men impotent. Men are too weak to approach and enlist women who have been taught to be "strong and independent." E.g. Leslie Gore's "*You don't own me*" and Linda Ronstadt "*Different Drum.*"

This combination of idealizing women and emasculating men has led to heterosexual breakdown, e.g. Illuminati social engineering. Femininity is based on trading power for male power in the form of love. **Real love is based on mutual dependence and trust, not sexual desire.**

People scoff when I say *Western society is a satanic cult.* However, the proof is obvious. The word "God" is banned from mainstream public discourse. In fact, we are repulsed at His mere mention. Our minds shut down. We become angry. We have been brainwashed to

hate God and don't even know it.

If I were wrong, God would be on our lips. After all, He is the Creative Intelligence behind life. He has Instructions for us. We should be celebrating Him and discussing His Plan.

We can't mention Him because Cabalist central bankers have their own Plan. They want to be God themselves. Their entertainment is social engineering. This is why we have love songs to vacuous women instead of hymns to God.

Our Love Affair with God (Revised)

by Henry Makow PhD

While making a spaghetti sauce, I put on a collection of old Paul Anka hits.

Listening to the lyrics, it struck me: *If you imagine the love object is God, instead of some empty-headed girl with regular features, there's little difference between popular love songs and religious hymns, prayers and chants.*

We are all pilgrims and God (Love) is our Mecca.

“ I detest love lyrics. I think one of the causes of bad mental health in the United States is that people have been raised on 'love lyrics'.

You're a young kid and you hear all those 'love lyrics', right? Your

(Left, Frank Zappa)

I don't have to tell you that 97 percent of all popular songs are love songs. A visitor from another planet would conclude that our religion is romantic love. Francis Yockey called it "erotomania."

But instead of recognizing the real object of our desire, we have fixated on the opposite sex, whom we mystify and

parents aren't telling you the truth about love, and you can't really learn about it in school. You're getting the bulk of your 'behaviour norms' mapped out for you in the lyrics to some dumb fucking love song. It's a subconscious training that creates desire for an imaginary situation which will never exist for you. People who buy into that mythology go through life feeling that they got cheated out of something.

idealize to reflect our true sublimated desire.

I am not a Jungian, but I agree with Carl Jung's statement: "If you take away God, man will invent a thousand false ones."

They have taken away God. You can't mention the word in polite company. As if, given the magnificence of the universe

and the complexity of the natural world, the concept of a Creator and a Design is so outlandish that it must be banned.

The people who want to replace God (with themselves) are responsible for our inability to mention or imagine God when it is so simple.

God is synonymous with our spiritual ideals and desires: truth, beauty, love, peace, bliss, justice, and harmony. So don't blame God for letting bad things happen to good people. Bad people are responsible, the same people who abolished God.

We are God's agents. If we don't bring about his Kingdom, it won't happen. Eventually, we'll all become extinct.

GETTING BACK TO LOVE SONGS

Next time you hear a love song, imagine it's about God. You will be surprised how well it fits.

"I love you with all my heart, we'll never part, please stay with me... (God)."

"I'm so alone. All I want is somebody to

love"

"Show me, you love me too."

"I'm so lonely; I'm so blue, now that you're gone."

These lyrics remind me of Christian, Muslim and Hindu mystics pining away for Divine Grace.

We're religious zealots, just like them. All that's missing are the white robes. We don't pray five times a day. We listen to these prayers 50-100 times a day.

But we've taken a wrong turn. Instead of recognizing the true object of our desire, we are focused on the opposite sex. We are looking for a person to play the role of God.

Frankly, we've been misdirected. (Think who runs the music and movie business.) And, of course, lust is a confounding factor ...

(Every slut demeans all women.)

CONCLUSION

If we could just begin with the knowledge that God loves us, then we wouldn't have this desperate misguided need "for love" expressed in love songs.

"God loves you very much (your name here.)" And you love God for the precious gift of life...for the miracle of Creation.

We're never alone. God is our constant companion, a warm, glowing love at the centre of our being. Our primary relationship is with Him.

First Comment by V, on the effect of turning women from wives and mothers into sex objects -

From a female perspective, you've no idea how odious it was to be spoken about in the 3rd person by two men you are among who were blithely assessing your sexual merits right in front of you - this as a teen in the '60s. The constant comments about one's body, waist size, bust, frigidity or sexuality, type of clothes, makeup, hairstyle, etc. was nauseating. One was compared to the celluloid starlets & found short as well as with centerfolds & found insufficient - & this from Neanderthals. That the success of feminism followed all this is no surprise. (I was just for liberation, which was justice & totally resented the bunny thing. How men are into such cheap superficiality is beyond me.)

Maybe factor all this in your calculations about that movement and what women 'should' be for you & other men. Imagine if you, for e.g., were told you needed to look & act like Sean Connery, have the dance skills & charm of Fred Astaire, have the beguiling gentleness of Gary

Cooper, the cooking skills of Escoffier, the abilities of McGuiver & the wealth of Midas all in one. And, of course, your hair & pants (skirt) length are never quite right & then there's that 10 lbs. always needed to be lost, plus more sit ups, etc. You would go mad. And all this for a meaningless 3 min. hump!

Some food for thought, Henry, from the other side. Anyway, it all rather ruined my life b/c I did seek spiritual love & a partnership of souls thru life, but men were oblivious to that then. Best, V

John Coleman - Globalists Want You Dead

March 23, 2025

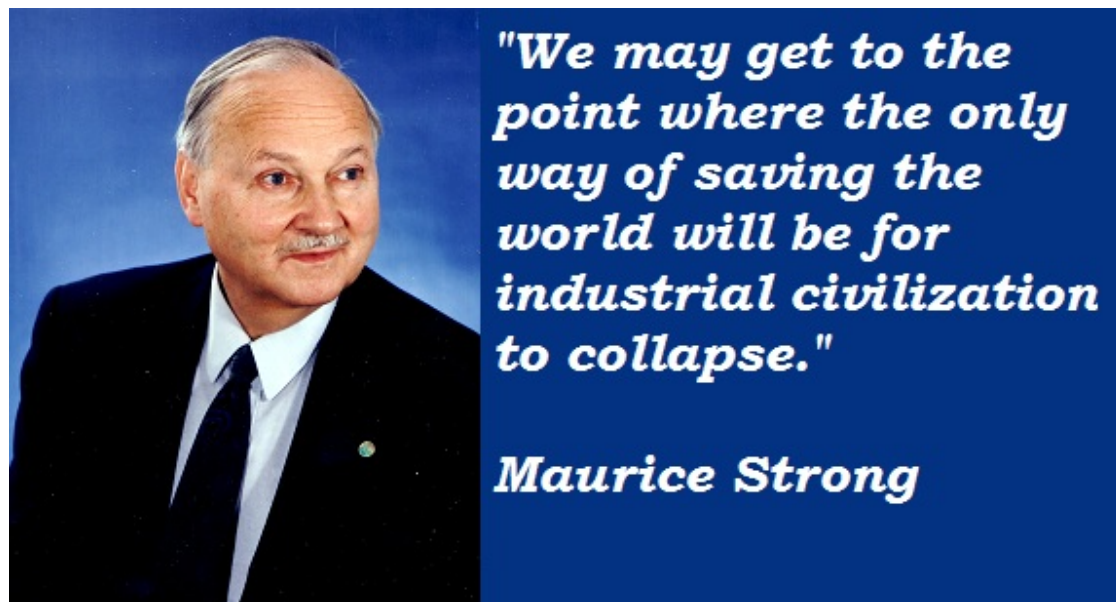

"The many tragic and explosive events of the 20th century did not just happen by themselves; but were planned according to a well laid out blueprint based upon the occult. Those who believe that devil worship, demons and witchcraft have vanished from modern society, are misinformed."

In his 1992 lecture, MI-6 whistleblower John Coleman says Free Trade is akin to globalism (i.e. Communism.) It destroys domestic production. This explains Trump's nationalistic (Zionist) policy. Communism destroys the goyim through subversion (i.e. plandemics, gender dysphoria, woke BS.) Zionism destroys the goyim through war. Coleman also claims AIDS, like COVID, was a deliberate depopulation program caused by "vaccines."

Dr. John Coleman, The Club of Rome, The Satanic Transhumanist Agenda and How the Elites Protect Themselves from Plagues They Start

**By Dr. Ana Maria Mihalcea
(Abridged by henrymakow.com)**

It emerged very clearly from Club of Rome meetings that its main purpose and objective was to: retard industrial development;
hold back scientific research;
depopulate cities, especially the formerly industrialized cities of North America;
move population to rural areas;
cull the population of the world by at least 2 billion people;
prevent reorganization of political forces who oppose COR plans;
destabilize the United States through massive layoffs and loss of jobs and class and racial wars;
and, destroy capital incentive through high interest rates and high capital gains taxes.

(Mark
Carnage
is
Maurice
Strong

resuscitated)

With the destruction of industry, would come the destruction of all of our basic morals, our basic beliefs in God and country, our Christian-based culture, which will lead swiftly to the return to the world of an occult theocracy of the new dark ages. COR high-priest Harmon said:

". . . nineteen images of man dominate various epochs, and from each he extracts such features he believes useful for replacing the industrial technological image, programs the COR and the Committee hope to emulate and which will turn the people of the world -- those that are left as mindless slaves after the culling of Global 2000 has occurred, in a New Dark Age -- the so-called New World Order." [pg.44]

The COR laid out a scenario that is in direct contradiction with God's law, which says that we must be fruitful, and multiply and subdue the Earth, not for the benefit of the COR and the Committee of 300, but for the freedom of our people in the United States and others who choose to respect their national identities.

The Luciferians, members of the Cult of Dionysus, the "Olympians" - they say, "No, we were placed here to rule the Earth and we alone shall enjoy its benefits."

"We must change the industrial technological image of man fast. Our analyses of the nature of contemporary society problems leads to the conclusion that the images of many that dominated the last two centuries will be inadequate for the post-industrial era. The image of man appropriate to that new world (not new - the concept, a Satanic one, is four thousand years old) must be sought, synthesized and then wired into mankind's brains."
[Emphasis our own] [pg.43]

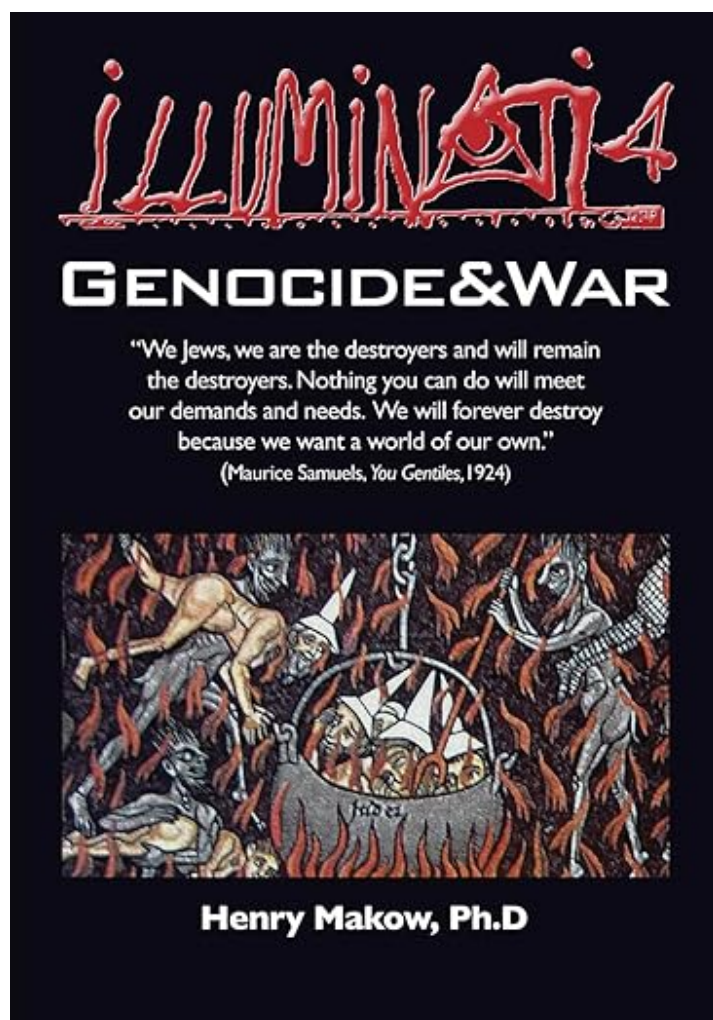

In his video presentation at 40 minutes, Coleman discussed that Robert Strange McNamara had a conference with the world's leading bankers and stated: "The biggest menace facing the world today is the American middle class and overpopulation." He further discusses the genocidal plan to get rid of the "unwashed."

What he discusses is applicable today, 50 years later: "That is why we had the sudden appearance of AIDS. There were chemical and bacteriological warfare experiments ongoing in Sierra Leone, Africa. They used Lassa fever virus for biological warfare purposes to get rid of millions of people in the world.

They took the viruses back to the CDC. The same experiments were going on at Harvard. The Government gave millions of dollars to Fort

Detrick where they did all the laboratory work on AIDS. They inserted AIDS into the small pox vaccine and vaccinated people in Africa and Brazil, hence starting the AIDS epidemic.

Lives were in jeopardy from scores of man-made viruses like HIV and Ebola Fever.

(Left, Satanists start wars and pandemics to disguise their genocidal objective. They want to exterminate all non-Satanists, i.e. goyim.)

The elites protect themselves with herbal compounds mixed with sugar and the protection of low frequency radiation. Using the technology developed by the virologist Gurtjev who proved that every living thing has a vibratory cycle. He was able to measure the vibratory cycle of deadly viruses. By vibrating them double their cycle you would kill them instantly. That is one of the defensive weapons they got that will kill the plague if

they ever get it. The same technique will kill cancer cells. The medical profession run by the Rockefellers and pharmaceutical companies did not want you to know this.

The Democrats seem to be using every trick in the book to influence this election, with mainstream media working to cover for them.

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

By Mike Stone

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

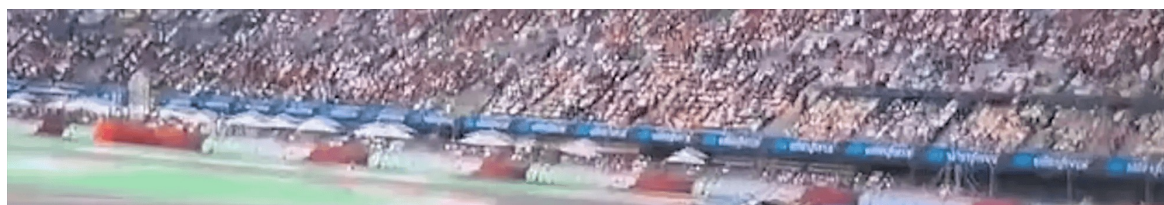

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet

(JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

Is this behind Ukraine-Russia war?

destruction.

Ukrainians would think they are fighting against expansionist Russia, struggling for independence.

Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

He supports Israeli psychopath and terrorist, Bibi Netanyahu.

His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).
